Good afternoon!

Thank you for your comments. We'll make sure they get to the Planning Board members.

In response to the cancelation of the CZMP public hearings, the Planning Board is collecting public feedback on rezoning issues through alternative methods. All information and input collected will be reviewed by members of Planning Board. **A new online application has been launched.** The Planning Board encourages the public to use the CZMP 2020 Public Comment Application to submit comments and feedback on rezoning issues. You can access the online application here: https://bc-gis.maps.arcgis.com/apps/CrowdsourcePolling/index.html?appid=6d959794cd8e4fc0b7e5e683516cef03 **Please open in a Google Chrome browser or the latest version of Internet Explorer.*

The deadline for all comments, through the online application, mail, and email, is TODAY April 10th by 5:00pm.

Thank you again, for your submittal.

Amy

As a concerned citizen and member of the Rodger's Forge community, would like to cast a vote for zoning change in York rd corridor. I would be for locally owned, small businesses that are community oriented. Please don't add to congestion on York rd by adding more businesses with drive thru windows. We would like to maintain our strong, neighbor and family oriented communities and also look out for the safety of our children/neighbors (traffic concerns). Thank you for your time in reading this.
