Re: Zoning Issue No. 1-009: 1501 Frederick Road

I support ROA zoning designation

Dear CZMP Planning Board:

I live at 1803 Frederick Road near the Five Oaks Pool and just a few blocks from the property. I have lived here for 5 years. I am supportive of the ROA zoning request as I believe it maintains and reflects the nature of the neighborhood. I know the owners of 1501 Frederick Road, who have been long time residents there. They are very supportive community residents.
