Hello,

I am a resident of the Anneslie neighborhood in Towson, and live just a few houses in from York road.

I chose this neighborhood for my family because of the schools, and the character. If we lose the character of this corridor, the benefits of living in this neighborhood would no longer outweigh the cons of the area crime.

Please note for the record my family's strong support for downzoning in district 5.

Thank you,
Jennifer Koster
