GRYPHON

CONTRACTING, INC.

April 1, 2020

To Whom It May Concern:

We approached the Mannarelli family with interest in purchasing their property at 14313 Hanover Pike Reisterstown, MD 21136 with the intent of moving our construction company office to the location. We were then advised that they had lost the zoning on the property that would be required to do so.

We are located at 13302 Hanover Pike, Reisterstown MD 21136 which is down the street from the Mannarelli property. We are still interested in moving forward with the purchase if the zoning is returned to its original status.

Sincerely,

Randy B. Wells Sr.
President
