Good afternoon-my name is Keith Taylor, President of the Sparrows Point North Point Historical Society Inc. I am writing my comments due to having surgery on September 23rd.

I live in the Sparrows Point/Edgmere area- some of the major issues we face are:

*** Traffic (18-wheelers) and the speeding cars from Tradepoint Atlantic coming into the town of Edgmere. We need to reduce the speed limit to 25 MPH, photo-enforced throughout the town. The town consists of 2 major schools (Edgmere and Sparrows Point) and churches.**
*** Safe routes to school for our precious children to walk or cycle to school**
*** A new High school and Middle school. The overcrowding is above 130%**
*** Ft. Howard making the property a Veterans Memorial Park to house the disabled Veterans**
*** Hart and Miller Island Repair**
***Road repair and parking areas owned by small businesses along North Point Rd. need to be repaired; we can not walk on the side of the road. (Rezone the entire town)**
*** A Community Benefit Agreement (CBA) lets the town choose the Benefit. Instead of the taxpayer (You and Me) paying for the property taxes for billionaires, have the Billionaires contribute to a CBA to help the Community and to be corporately responsible.**

Out of the seven issues, the majority is safety-related. These need to be implemented ASAP before someone gets killed.

Kind Regards,
Keith Taylor
